

# NYHEDER - NOTICE

## Annual General Meeting - April 28, 2022

### DANISH SOCIAL CLUB OF VICTORIA

Dear Members:

*It has been a really long time since we last met. That last occasion was Fastelavn in February of 2020. It was shortly after this that Covid and the related restrictions hit hard and we have been unable to get together since.*

*April 8th all Covid mandates are scheduled to be dropped. Trusting that there will be no changes to this, the executive is looking to organize an Annual General meeting for the 28th of April at 3:30 pm at Norway Hall. The main purpose of this is to plan how to restart the club.*

*While we have been unable to meet, the Norwegians have been busy making some improvements to their hall. These improvements come along with some changes to rental practices. For example, rental costs have been increased considerably and the dates that clubs such as ours can meet have been restricted. The only dates that we have been able to get are the following: Thursday, November 17 (Men's Dinner) and Saturday, December 17 (Christmas Dinner).*

*The agenda for this meeting will cover these restrictions and the dates the executive is proposing for some upcoming events. It is hoped that members will contribute their thoughts and ideas to help us restart club activities.*

*The executive wants all members in good standing for 2020 to know that they will also be in good standing for 2022. Please plan to attend and reconnect with members you haven't seen in a long time. It will be a time of sharing ideas and having tea/coffee and aebleskiver.*

Hans Frederiksen  
President

*Looking forward to seeing you all....*

*Hans Frederiksen, President*

## News and a bit of history from Denmark

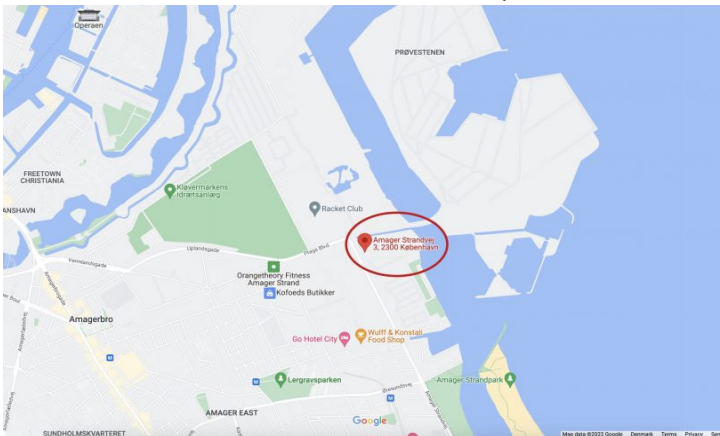

<http://cphpost.dk/>

April 7th, 2022 9:58 am|  
by Armelle DelmellAs part  
of the NATO 2030 agenda,  
Copenhagen will soon host  
a test centre and accel-  
eration site for quantum  
technologies. The develop-  
ment of new technologies

is crucial in the global competition between great  
powers. Quantum technology, artificial intelligence,  
and other new and disruptive technologies will change  
the way we live.

### The red circle marks the location of the proposed Ukrainian community

April 6th, 2022 2:12 pm| by Bartholomew Skala

In wake of the ongoing arrival of refugees from the  
War in Ukraine, the City of Copenhagen has commit-  
ted to housing 330 refugees in a large pavilion near  
Amager Strand, along with plans to house 2,000 more  
around the corner, which are subject to approval.

The city will refurbish an existing pavilion used to  
store, among other things, “winter service, lost prop-  
erty and urban furniture” to create a village for Ukrai-  
nians with lodging, daycare and offices.

The project will cost 71 million kroner, and it should  
be completed by the end of July.

Denmark expels 15 Russian intelligence officers  
The individuals have reportedly worked under diplo-  
matic cover at the Russian embassy in Copenhagen

April 5th, 2022 10:39 am| by Christian WFacebooktwit-  
terpinterestmail

The government revealed moments ago that it has  
decided to expel 15 Russian intelligence officers from  
Denmark

The Foreign Ministry informed Russian ambassador  
Vladimir Barbin of the move this morning, citing that  
the individuals have two weeks to leave the country.

According to the ministry, the 15 individuals have been  
working under diplomatic cover at the Russian Embassy  
in Copenhagen.

# ON THE BRIGHTER SIDE OF LIFE

**Sadly, the days of people using proper English are went.**

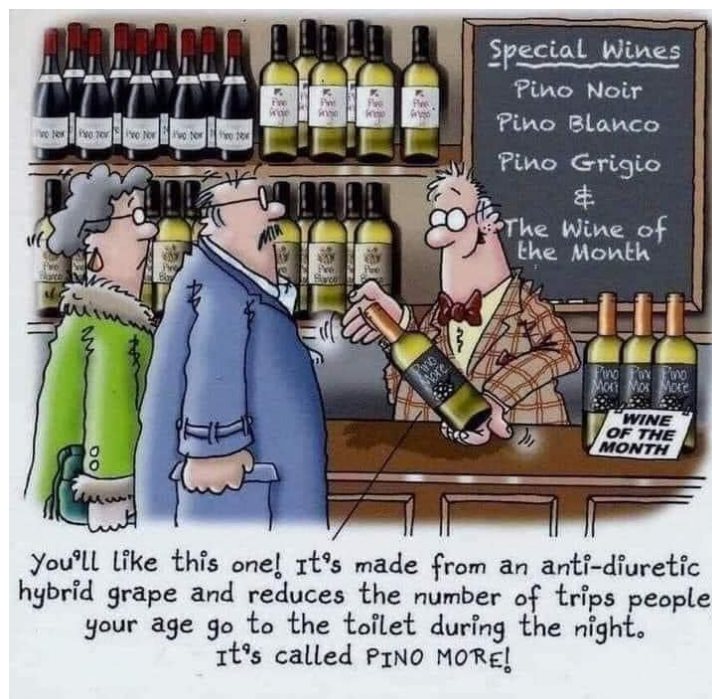

While working at a pizza parlor I observed a man ordering a small pizza to go. He appeared to be alone and the cook asked him if he would like it cut into 4 pieces or 6. He thought about it for some time then said 'Just cut it into 4 pieces; I don't think I'm hungry enough to eat 6 pieces. They Walk Among Us!

This guy bought a new fridge for his house. To get rid of his old fridge, he put it in his front yard and hung a sign on it saying: 'Free to good home.

You want it, you take it'  
For three days the fridge sat there without anyone looking twice.  
He eventually decided that people were too mistrustful of this deal. So he changed the sign to read: 'Fridge for sale \$50.'  
The next day someone stole it!  
They walk among us!

**The Preacher and the Peanuts**  
A preacher visits an elderly woman from his congregation. As he sits on the couch, he notices a large bowl of peanuts on the coffee table. "Mind if I have a few?" he asks. "No, not at all!" the woman replied. They chat for an hour and, as the preacher stands to leave, he realizes that instead of eating just a few peanuts, he emptied most of the bowl. "I'm terribly sorry for eating all your peanuts. I really just meant to eat a few." "Oh, that's all right," the woman says. "Ever since I lost my teeth, all I can do is suck the chocolate off them." -
